Re: In the Matter of the Pay Telephone Reclassification and Compensation  
Provisions of the Telecommunications Act of 1996, CC Docket 96-128

Dear Ms. Dortch:

Pembroke Telephone Company, Inc. ("the Company") submits this letter and accompanying certification as record that the Company is not a "Completing Carrier" as that term is defined in the Commission's Order in CC Docket 96-128 ("Order")<sup>1</sup>, released on October 3, 2003.

As the Company is not a Completing Carrier nor does it handle the types of calls the Commission has specified as being subject to both compensation and reporting to Payphone Service Providers, the Company is not subject to such requirements at this time. If the Company's operations are altered to the extent that the Company necessarily becomes a Completing Carrier, the Company will fully comply with the Commission's rules pertaining to this and all other payphone compensation and reporting matters.

Sincerely,

Mary Anna B. Hite  
Secretary-Treasurer  
Pembroke Telephone Company, Inc.
